Wired & Wireless Networking

Want to use the Wi-Fi capability in your laptop around your home? Then you will need a Broadband connection with a Wi-Fi router on your home telephone line. There are many options available so please ask for assistance in purchasing the right system.

Please note that granite walls can cause Wi-Fi signals to be blocked but there are options in such a case.

Wireless Modem / Router From (TPLX016) **£59.95**

Software

Most of our range of laptops come with a trial version of Microsoft Office, pre-installed, full licences for the software are available in store. Please ask for more information regarding this and other available software.
