Wired & Wireless Networking

Want to use the Wi-Fi capability in your laptop around your home? Then you will need a Broadband connection with a Wi-Fi router on your home telephone line. There are many options available so please ask for assistance in purchasing the right system.

Please note that granite walls can cause Wi-Fi signals to be blocked but there are options in such a case.

Wireless Modem / Router From (TREX007) **£29.95**
