£665.00

256GB³
£790.00

Finish: Silver, Gold and Space Grey

Third-party software sold separately. ¹Display size is measured diagonally. ²iPhone 8 and iPhone 8 Plus are splash, water and dust resistant, and were tested under controlled laboratory conditions with a rating of IP67 under IEC standard 60529. Splash, water and dust resistance are not permanent conditions and resistance might decrease as a result of normal wear. Do not attempt to charge a wet iPhone; refer to the user guide for cleaning and drying instructions. Liquid damage not covered under warranty. ³Available space is less and varies due to many factors. A standard configuration uses approximately 8GB to 11GB of space (including iOS and pre-installed apps) depending on the model and settings. Pre-installed apps use about 4GB, and you can delete these apps and restore them. TM and © 2017 Apple Inc. All rights reserved.
